ALL eyes are now turned on Beverly and the fascinating section of the seashore known as the North Shore. The President's yacht, the Mayflower, will sail from Beverly Cove to-morrow afternoon for a fortnight's cruise in northern waters and along the coast.

Great plans are being made for the entertainment of the Chief Magistrate and his family at Bar Harbor and at Ellsworth, Me., where they will spend the week-end with Senator and Mrs. Hale and their family at their summer home. Senator and Mrs. Hale will entertain at dinner for them next Saturday evening. Mrs. Taft's mother, Mrs. Louis More, who went down to Beverly to make the trip on the Mayflower with her distinguished brother-in-law and sister, will leave the Mayflower when they reach Biddeford Pool, where her summer home is situated. They will arrive at Biddeford on July 27.

Not a Cabinet member is left in the city this week-end, and there are really very few of the near-Cabinet members, more familiarly known as the assistant secretaries. Postmaster General Hitchcock, the bachelor member of the Cabinet, was the last to leave the city, and that is only for a fortnight. He is taking a trip to England and the continent, and will return on the same ship. The Secretary of War and Mrs. Dickinson and their party were royally entertained in Yokohama, where they arrived Friday on the Siberia. There they were greeted by Capt. George T. Summerlin, second secretary of the United States Embassy at Tokyo, son-in-law of District Commissioner Johnston. They were entertained at dinner on Friday evening by Count Komura, the foreign secretary of Japan. They are now at Tokyo, where Secretary and Mrs. Dickinson are the guests of the United States Ambassador and Mrs. Thomas J. O'Brien. Gen. and Mrs. Clarence Edwards and their daughter are guests of friends there.

Mr. Justice Moody, the bachelor member of the Supreme Court, arrived last Saturday at Magnolia Beach, where he is established at the Lower Macdonald Cottage, near the water, which he has taken for the season. He went in a private car, and seems already benefited by the bracing air.

He had represented Gloucester in Congress and has been there much. The construction of the Dog bar breakwater is due entirely to his persevering advocacy of the project while in Congress.

When Secretary of the Navy, Justice Moody often can down there and steamed to sea on a short cruise in the dispatch boat Dolphin, anchored at Gloucester. Amid such congenial surroundings, with the best wishes of the entire district and country for his early restoration to health, it is hoped that recovery will come quickly.

There, indeed, if anywhere, are the quiet and health-giving influences which make for health, the salt of the sea breeze mingling with the balsam of the pine and the incense of the magnolia.

WEDDINGS-ENGAGEMENTS

The date of the marriage of Miss May Howard to Dr. Walter A. Bloodorn, U. S. N., whose engagement was recently announced, has not been definitely fixed, but it will take place within a few weeks in the home of the bride's mother.

The bride will be attended by Miss Frances Elward-Smith as maid of honor, and her only attendant will be Mrs. Joseph Stotsenburg. Little Jack Stotsenburg, two years old, will carry a basket of flowers. Dr. Raymond Spear, U. S. N., of the Naval Hospital in this city, will be the best man. The bridegroom is being detained at his station, the Naval Hospital at Las Animas, Colo., owing to his successor not having arrived. As soon as he arrives in Washington the wedding will take place and the bride and bridegroom will start for the latter's post, Canacao, Philippine Islands.

The marriage is announced of Miss Minnie B. Musgrove, of Brunswick, Md., to Mr. Earl S. Charlton, of this city. The ceremony was performed on Wednesday, July 13, in Frederick, Md., by Rev. E. H. Lamar, pastor of the M. E. Church there. After the ceremony the bride and bridegroom returned to Brunswick.

The marriage is announced of Miss Bertha Lee Tolles and Mr. Edward Wellington Stephens, both of this city, which took place in Rockville, Md., last Wednesday. Rev. S. R. White performed the ceremony.

Mr. Kissel, who is a member of several prominent clubs in New York and Morristown, is in the

A wedding breakfast will follow the ceremony. Capt. Lansang and his bride will make an extended wedding trip, and go later to Wyoming, where he will be stationed.

A charming romance is unfolded in the announcement of the engagement of Miss Eliza Draper, a society belle of San Francisco, to Midshipman James Lawrence Kaufman, U. S. N., telegraphic permission having been sent from the Navy Department.

The department has a rule that the midshipman's salary of \$125 per month is too small for matrimony. Kaufman, therefore, decided to marry when he had passed his examination for ensign. He won his girl, announced the wedding date, and then failed to pass the examination. Kaufman then pointed out to the department that he had an independent private income, that he had failed in one subject only, and that the girl had purchased her trousseau. He wins, and the wedding will take place as per schedule.

Mr. and Mrs. W. D. O'Brien, of Troy, N. Y., announce the engagement of their daughter, Josephine Teresa, to Capt. Joseph K. Partello, Fifth United States Infantry. The wedding is to take place early in November.

Mr. and Mrs. Thomas March Clarke announce the engagement of their only daughter, Dorothy March Clarke, to Midshipman William Thomas Boyd, Jr., U. S. N.

Miss Rachel Claude, daughter of Dr. and Mrs. W. Clement Claude, of Annapolis, and Ensign Ralph Cutter Needham, U. S. N., were married last Tuesday evening at the home of the bride's parents in St. John street, Rev. Joseph P. McComas, rector of St. Anne's Protestant Episcopal Church, officiating. The bride was attended by her sister, Mrs. Weisheimer, wife of Lieut. Robert R. Weisheimer, Coast Artillery Corps, U. S. A., as matron of honor. Mr. Harry Leslie Needham, of Baltimore, brother of the bridegroom, acted as best man. The bride was gown in white net and carried a shower bouquet of lilies of the valley. She was given in marriage by her father. Following the ceremony a small reception was held at the home of the bride's parents.

Ensign and Mrs. Needham left Annapolis on a late evening train for their honeymoon. Ensign Needham was graduated from the Naval Academy in 1907. He was appointed to the navy from Connecticut. While a midshipman he was an athlete of note, having pitched on the baseball team for three years. He is now assigned to the battleship Minnesota.
